# About GLP

The Global Leader Power brand was created in 2012 as a direct response to LED and Automation market customer needs. It is based on the foundations and experience of Middle Europe's biggest LED driver supplier. Our products are now available all over the European continent.

Our goal is to deliver products that fulfill the restrict requirements of LED market, which is our priority. Compared to other products available on the market today, all Global Leader Power are characterized by innovative PCB Design, high quality components, well established standard dimensions and a very competitive price to quality ratio.

Most of our products are offered with a 5 year warranty, which is exceptional on the global market among professional LED drivers. We wish our customers to take part in the most demanding projects possible all over Europe.

Our motto is: clear cooperation and distribution principles supported by responsible Brand recognition management. One of fundamental goals of Global Leader Power is to become a strong European brand that is independent from large international syndicates. The main goal is to be able to compete with Eastern brands whose policy is sometimes inconsistent and quality is arguable.

Experienced European market of power supplies leaves a large field for improvement so that we offer you Global Leader Power brand.

We welcome you to contact with our European representatives.

Our portfolio also includes AGM batteries – should you be interested, please feel free to contact your local distributor.

So far, Global Leader Power has sold millions of GLP brand devices that already work all over the world.

We are looking forward to our cooperation - become a member of GLP Team!

# AGV/AGC 12-25 W (IP40)

## ● Features:

- Constant voltage (AGV) / current (AGC) design
- Universal AC input / Full range
- Current versions: 350 mA, 500 mA
- Cooling by free air convection
- 100% full load burn-in test
- Isolation class II
- Double insulation of Input and output wires
- Excellent quality / price ratio
- Up to 3 years warranty

# GWP 100 W

## ● Features:

- Power supply from European voltage 230Vac
- Triple output design 5V, 12V, 24V
- Cooling by free air convection
- Screw terminals
- LED DC OK indicator
- Aluminum housing
- High efficiency
- Up to 5 years warranty

# GPF 25-60 W waterproof (IP67)

## ● Features:

- CC mode power supply
- Universal AC input / Full range
- Built-in 3 in 1 dimming function: 0-10V or PWM or resistance
- Cooling by free air convection
- 100% full load burn-in test
- Isolation class II
- Excellent quality / price ratio
- Up to 3 years warranty

# GPVP Double isolation cables 25-120 W waterproof (IP67)

## ● Features:

- Double insulated wires
- Constant voltage design
- Universal AC input / Full range
- Built-in active PFC function, PF > 0.9
- Cooling by free air convection
- 100% full load burn-in test
- Fully encapsulated with IP67 level
- Excellent quality / price ratio
- Up to 3 years warranty
